

Interactive Guide of Alerts and Sources - Endura S.p.A.

This document gathers direct links to set up alerts on Google, Google Scholar, follow strategic companies on LinkedIn, and access specialized publications in the chemical industry.

1. Google Alerts

Access: <https://www.google.com/alerts>

Suggested keywords:

- "Piperonyl Butoxide" OR PBO news
- insecticide synergist market
- biocidal products regulation Europe
- pyrethroid insecticides market trends
- repellents ingredients innovations
- agrochemical industry mergers acquisitions
- vector control products news
- insecticide resistance management

2. Google Scholar Alerts

Access: <https://scholar.google.com>

Suggested keywords:

- "Piperonyl Butoxide" insecticide efficacy
- "insecticide synergist" formulation
- pyrethroid resistance management
- biocidal formulation development
- natural insecticides synergized
- repellent formulation PBO
- neem oil PBO combination

- citronella Piperonyl Butoxide

3. Companies to Follow on LinkedIn

- Endura S.p.A.
- MGK Insect Control Solutions
- SC Johnson Professional
- IFF Health & Biosciences
- Croda International
- Symrise AG
- BASF Agricultural Solutions
- European Chemicals Agency (ECHA)

4. Specialized Publications

- Chemical & Engineering News (C&EN): <https://cen.acs.org>
- CEFIC - European Chemical Industry Council: <https://cefic.org>
- Agropages: <https://news.agropages.com>
- ChemLinked: <https://chemlinked.com>
- PAN International: <http://pan-international.org>

These resources will help you stay updated on global chemical market trends, regulations, and innovations.
